WHMIS: D 2 B

Section 1: Product and Company Identification

Product: CapSan Ultra Urinal  
Screen-Purple Crush

Synonyms: Urinal Screen

Capital Sanitary Supply

2137 Sunset Road  
Des Moines, IA 50311

Non-Emergency:

24 hr Emergency Spill Information:

US 1-800-532-1248

International

Section 2. Hazards Identification

EMERGENCY OVERVIEW

Appearance/Odor: Colored translucent polymer with various fragrances

NOT Classified as hazardous by the criteria of NOHSC.

WARNING

Flammability : Not classified as flammable, combustible material

Health Hazards Listed : Not applicable

Ecological Hazards Listed : None known

Potential Health Effects: See section 11 for more information.

Risk Phrases:

R36 - Irritating to eyes  
R37 - Irritating to respiratory system  
R38 - Irritating to skin

Safety Phrases:

S2 - Keep out of the reach of children  
S3 - Keep in a cool place  
S13 - Keep away from food, drink and animal feedingstuffs

Hazard Phrases:

H303 - May be harmful if swallowed

Precautionary Phrases:

P233 - Keep container tightly closed.  
P234 - Keep only in original container.  
P235 - Keep cool.

Likely Routes of Exposure: Not applicable

Eye: May cause mild irritation

Skin: Direct contact may cause slight irritation

Ingestion: Can cause vomiting, headache, and digestional distress

Inhalation: Inhalation of high concentration levels may cause nose, throat, and respiratory tract irritation

Medical Conditions Aggravated By Exposure:

Allergies to fragrances

Target Organs: None known

This product does not contain any carcinogens or potential carcinogens as listed by OSHA, IARC or NTP.

This material is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200).

Potential Environmental Effects: (See section 12 for more information.)

None known

|                                                   |
|---------------------------------------------------|
| Section 3. Composition/Information on Ingredients |
|---------------------------------------------------|

| Component                      | CAS# | % by Weight   | WHMIS Controlled |
|--------------------------------|------|---------------|------------------|
| Trade Secret Fragrance Mixture | none | Not Disclosed | N                |
| Trade Secret Polymer mixture   | none | Not disclosed | N                |

|                               |
|-------------------------------|
| Section 4. First Aid Measures |
|-------------------------------|

Eye Contact: Flush eyes with water for 15 minutes. Remove contact lenses.

Skin Contact: Remove contaminated clothing, flush with water

Inhalation: If irritation occurs, move person to fresh air

Ingestion: Do not induce vomiting, rinse mouth with water.

Note to Physicians:

|                                   |
|-----------------------------------|
| Section 5. Fire Fighting Measures |
|-----------------------------------|

Suitable Extinguishing Media: As for surrounding fire, Foam, carbon dioxide, dry chemical

Unsuitable Extinguishing Media: None known

Products of Combustion: Oxides of carbon

Protection of Firefighters: Wear self contained breathing apparatus and protective clothing in accordance with OSHA regulations.

|                                        |
|----------------------------------------|
| Section 6. Accidental Release Measures |
|----------------------------------------|

Personal Precautions: Reasonable care.

Environmental Precautions: No special requirements

Methods for Containment: No special requirements

Methods for Clean-Up: Rinse area with water, prevent residue from entering sewers and waterways.

Other Information:

|                                 |
|---------------------------------|
| Section 7. Handling and Storage |
|---------------------------------|

**HANDLING**

Use only as directed, do not dismantle, keep away from children, keep away from extreme heat.

**STORAGE**

Store away from sources of ignition. Do not open sealed bag until ready to install.

|                                                  |
|--------------------------------------------------|
| Section 8. Exposure Controls/Personal Protection |
|--------------------------------------------------|

EXPOSURE GUIDELINES

|                                |                  |                |
|--------------------------------|------------------|----------------|
| COMPONENT:                     | TWA:             | LD-50          |
| Trade Secret Fragrance Mixture | None established | Not determined |
| Trade Secret Polymer mixture   | Not applicable   | Not applicable |

Engineering Controls: General ventilation normally adequate

Eye/Face Protection: Safety glasses, not normally necessary

Skin Protection: Gloves recommended.

Respiratory Protection: Not normally needed.

General Hygiene Considerations: Always practice good housekeeping and hygienic measures, supervise children's use.

|                                             |
|---------------------------------------------|
| Section 9. Physical and Chemical Properties |
|---------------------------------------------|

|                                                           |                                                                  |
|-----------------------------------------------------------|------------------------------------------------------------------|
| Color: Translucent, varies upon description               | Odor: Varies upon description                                    |
| Physical State: Fragranced, polymer air freshener         | Odor Threshold:                                                  |
| pH: Not applicable                                        | Freezing Point: Not applicable                                   |
| Evaporation Rate: <1                                      | Boiling Point: Not applicable                                    |
| Flash Point: >200 F                                       | Flammability(solid,gas): Will burn in surrounding fire           |
| Upper Flammability Limit: Not determined                  | Lower Flammability Limit: Not determined                         |
| Vapor Pressure: Not determined                            | Specific Gravity: Not available                                  |
| Vapor Density: Not determined                             | Auto-ignition Temperature: Not determined                        |
| Volatile Organic Compound (VOC),%weight:<br><3% by weight | Solubility (water): Insoluble<br>Percent Volatile: all fragrance |

|                                      |
|--------------------------------------|
| Section 10. Stability and Reactivity |
|--------------------------------------|

Stability: Stable

Conditions to Avoid: Avoid excessive heat and ignition sources

Incompatible Materials: Strong oxidizing agents, materials that react with unsaturated hydrocarbons, alcohols, and aldehydes

Hazardous Decomposition Products: Oxides of Carbon

Possibility of Hazardous Reactions: Extremely improbable

|                                    |
|------------------------------------|
| Section 11. Toxicology Information |
|------------------------------------|

ACCUTE EFFECTS

|                  |                              |
|------------------|------------------------------|
| Oral LD50:       | Not determined for product.  |
| Dermal LD50:     | Not determined for product.  |
| Inhalation:      | Not determined for product.  |
| Eye Irritation:  | Not applicable               |
| Skin Irritation: | Not expected to be a problem |
| Sensitization:   | Not expected to be a problem |

CHRONIC EFFECTS

|                        |            |
|------------------------|------------|
| Carcinogenicity:       | None known |
| Mutagenicity:          | None known |
| Reproductive Effects:  | None known |
| Developmental Effects: | None known |

Section 12. Ecological Information

Ecotoxicity: None known  
Persistence/Degradability: None known  
Bioaccumulation/Accumulation: None known  
Mobility in Environment: None known

Section 13. Disposal Considerations

Disposal: Dispose according to Federal, State or Provincial, and Local regulations

Section 14. Transportation Information

US DOT (ground)  
Proper Shipping Description: Not a Hazardous Material  
CANADA TDG (ground)  
Proper Shipping Description: Not a Dangerous Good  
ICAO (air)  
Proper Shipping Description: Not a Dangerous Good  
IMDG (water)  
Proper Shipping Description: Not a Dangerous Good

Section 15. Regulatory Information

Global Inventories

|                        |           |
|------------------------|-----------|
| TSCA: United States    | Included  |
