Material Safety Data Sheet

Product Information:

Product Name: Root Beer (Concentrate) (Flavour)
Empirical Formula: N/A
Chemical Name: N/A
Uses: Flavouring agent.

Code: 1563
CAS #: N/A

II - Toxicological Information:

Irritancy: Liquid and vapor may cause skin and eye irritation. Vapor is irritating to throat and lungs. Ingestion may cause gastrointestinal irritation.
Adverse Effects: Breathing in high concentrations of vapors may cause headache, nervousness, dizziness, tremors, fatigue, nausea and narcosis.
Toxicity data: N/A

III - Physical Data:

State: Liquid Solid Gas
Description: A clear, bright yellow to pale yellow liquid, having a typical root beer odor.
Solubility: Soluble in water.
Other Physical Properties: Specific gravity: 1.1223

IV - Fire And Explosion Hazards:

Flammability: May be flammable at high temperatures.
Flash Point: 172°F (TCC)
Extinguishing Media: Water, carbon dioxide, dry chemical powder or appropriate foam.
Fire-Fighting: Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.

Reactivity Data:

Stability: Stable.
Incompatibilities: Strong oxidizers.
Hazardous Decomp. Products: N/A
Hazardous Polymerization: Will not polymerize.

VI - Preventive Measures:

Personal Protective Equipment: Respirators, chemical resistant gloves, safety goggles, other protective clothing.
Specific Engineering Controls: Adequate mechanical ventilation with chemical fume hood. Eyebath and shower stations.
Spills & Leaks: Prevent release to sewer, absorb into inert material, transfer to suitable containers for disposal.
Waste disposal method: Incineration or sanitary landfill in accordance with local laws and regulations.
Storage: Preserve in tight containers.

VII - First Aid Measures:

Eyes: Flush with copious amounts of water for 15 minutes, separating eyelids with fingers.
Skin: Wash with soap and water for 15 minutes.
Ingestion: Call a physician. Wash out mouth with water.
Inhalation: Remove to fresh air. If not breathing, give A.R. If breathing is difficult, give oxygen.

NOTE: If victim is unconscious, never induce vomiting nor give liquids. Place victim in a stable side position and keep warm.

Ecological Data: N/A
Hazardous Ingredients: N/A
References: Available on request.
